

Community Health Sessions for Groups with English levels at CLB 4 & higher

Diversity Liaison Team of Alberta Health Services AHS – Calgary Zone is committed to enhancing access to health services and health information for diverse communities. We are pleased to offer health sessions in English and/or some first languages at a **time virtually or in person** that is convenient to your groups. AHS will only use **Zoom** to offer virtual health sessions. To stay current on our health session lists, visit <http://DiversityCalgary.ca/>

You are welcome to book any health session as listed below for a **group of 10 or more** participants. We ask you to give us at least one month's notice. For more information and to send back the completed request form, please contact:
